

DEALER.CATSIMULATORS.COM

Ready to elevate your dealership above the competition and stand out in the industry as a leader in innovative training solutions?

Explore dealer.catsimulators.com, your go-to source for resources and insights into Cat® Simulators' innovative heavy equipment training solutions. Developed with Cat® experts, the state-of-the-art simulators can integrate easily into your customers' training programs, ensuring a safe, effective, hands-on learning experience.

Cat Simulators Product Line

Find a comprehensive list of all products in the Cat® Simulators line, which includes simulated machines and worksite applications for construction, mining and forestry environments.

Global Operator Challenge

Special simulator exercises are available for Global Operator Challenge (GOC) dealer events. Just fill out our rental form to book simulators for your GOC event.

Sales Channels

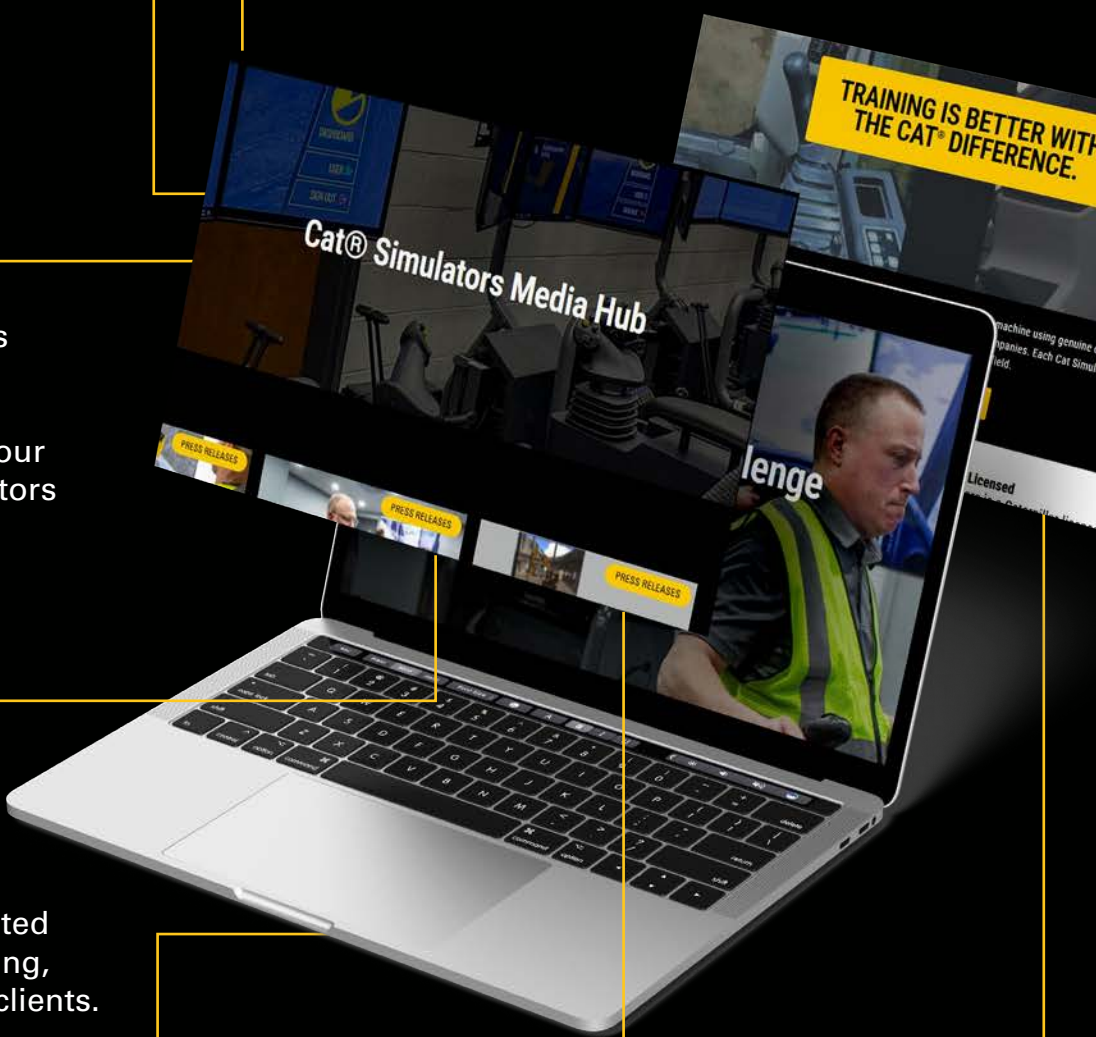

Simulator sales are available directly to clients or through dealers. Backed by a full-service Simformotion team dedicated to marketing, selling, training, educating and supporting clients.

Simulator Demos

Simformotion's live streaming room showcases our simulators virtually, offering an immersive look at our cutting-edge simulators.

Simulation to On-the-Iron Training

Discover how closely Cat Simulators match Cat® machines—right down to the authentic Cat controls. Cat Simulators enable operators to develop skills faster and more safely, facilitating a smoother transition to real-world operations.

SimScholars® Curriculum

Cat Simulators systems offer a robust curriculum for each simulator model, which engages and significantly enhances students' learning experiences. The online curriculum operates on a separate platform independent of the simulators and can be used in the classroom or remotely.

Media Hub

Find videos on various topics, such as safety, VR, machine-specific infographics and more. Looking for Cat Simulators branded marketing materials for your dealership?
